We “Star Chemical” are a Partnership firm engaged in manufacturing a high-quality array of Paint And Coating, Paint Thinner, Primer, Lacquer & Hardner, Pigment Powders, etc.

About Us

We “**Star Chemical**” are a **Partnership** firm engaged in **manufacturing** a high-quality array of **Paint And Coating, Paint Thinner, Wall Primer, Lacquer Paints, Pigment Powders**, etc. which is suitable to protect plastics, metal and wood surface. Since our establishment in **2014** at **Ankleshwar (Gujarat, India)**, we have been able to meet customer’s varied needs by providing products that are widely appreciated for their leak proof packaging and safe usage. Under the strict direction of “**Mr. Bharat Korat**” (**Managing Partner**), we have achieved an alleged name in the industry.

We are serving high-quality products to our customers by continuous quality monitoring of the product by our qualified staff member and hi-technology production method. Mr. Bharat Korat and Mr. Mayur Gondaliya are continuously working to improve product quality and finding an innovative solution for our valuable customer to achieve huge growth and success of an organization.
